

VIRGINIA SCHOOL FOR THE DEAF AND THE BLIND

<i>TITLE: Vending Machine Use by Students and Staff</i>	POLICY NUMBER: S061
--	----------------------------

Policy Statement:

Vending machines are available to students at the Virginia School for the Deaf and the Blind (VSDB) on a limited and supervised basis. Staff may utilize the vending machine area for their own personal use.

Procedure:

1. Students are not allowed to have access to the vending machines during school hours. "School hours" are defined from 7:00am – 3:30pm, daily. Student access to the machines will be permitted on a supervised basis after school hours.
2. Vending machines will be turned off during breakfast (from 7:00 am – 8:00 am) and lunch (10:30 am – 12:30 pm) per Federal School Nutrition guidelines.
3. Staff will have access to the machines during the day with the exception of breakfast and lunch turn off times.
4. Direct care staff is encouraged to monitor vending machine food and beverage intake of students and to report any significant consumption of vending machine items to the supervisor.
5. Students are not allowed to purchase any vending machine items for staff consumption. Staff are not allowed to purchase any vending machine items for students.

<i>Rescission:</i>	Effective Date: November 2008; Revised: June 2017 BOV Approved: September 12, 2017
